The eyes of the South Carolina football enthusiasts are centered upon the two gridiron battles that are to be waged here this week. Wednesday the Clemson Tigers are scheduled to meet the Davidson eleven and Thursday the team from the University will take on the Richmond. These games will be big days for the hundreds of collegians, the alumni of the three institutions represented, and their friends. The football games have always proved a great attraction to the fair, and this year the games scheduled will be no exception to this rule.

Davidson College thus takes on both Carolina and Clemson—an unusual undertaking in football. The squad from the North Carolina institution is very strong this year, several of the old men having returned to the College. When Davidson met Virginia on October 16th the score was 12 to 0 in favor of Virginia. This same Virginia team stood off Sewanee in a battle to the finish—0 to 0. The North Carolina-Davidson game ended 0 to 0, neither team being able to score.

The last lineup that Davidson used (in the North Carolina game) was as follows: Wildman, right end; Dunn, right tackle; Daniel, right guard; Edgerton, center; Whiteley, left guard; Moore, left tackle; Klutts, left end; Elliott, quarterback; Denny, right halfback; Clark, fullback; Eames, left halfback.

This is about the lineup that will be sent to meet Clemson next Wednesday at the fair grounds.

The Clemson eleven has met two big teams this year, and has been defeated by both. The Virginia Polytechnic Institute, which always puts out a strong eleven, beat Clemson by a score of 6 to 0. Vanderbilt last Saturday put the spikes into the Tigers by a score of 41 to 0. In spite of these two scores Clemson has a good team.

We endeavored to get sketches of the Davidson team, but were unable to obtain them.

THE SCRUB TEAM.

Lumpkin has been playing halfback on the scrubs. He has played on different teams around town. Weight, 145 pounds.
