The Easter German, danced Monday evening, proved to be one of the most enjoyable events of the year. About fifty couples and ten groups were present. After the sixteen card dances there was general dancing for about an hour. The University orchestra furnished the music and the ball had much to do with the success of the occasion. On the whole, it was the prettiest and most enjoyed dance of the season.

A DREAM.

Beautiful daughter of man,
My heart with rapture thills,
When I press thy lovely hand
And implore thy will.

No form on earth so fair,
As thine whom I behold,
My dream of a happy pair,
The beginning of a home.

Janette, suprime is my love for thee,
Above all earthly things,
No man can den me
The rights of a lover king.

Ah! beauty incarnate!
Thy charm must sometime cease,
When love alone remains.
Janette wilt thou be mine own?
Enos Uralto.

The interest in missions at Furman this year has been especially keen. Their Volunteer Band has been busy all year in deputation work, holding missionary meetings in churches and schools throughout South Carolina.
