SOCIETIES ELECT DEBATING COUNCIL

Revised Constitution Adopted for Next Year

At a called meeting of the joint assembly held in the Euphradian society hall last Saturday night a new constitution for the University debating council was adopted and the members for next year elected. The faculty members are: Professors Reed Smith and Marion E. Rucker; the chirographic members are: J. C. Kearse, J. M. Wells and J. D. Brandenburg; the Euphradian: E. P. Hodges, H. E. Hickman, G. W. Collier. The revised constitution as adopted reads as follows:

ARTICLE 1. The Debating Council shall be composed of nine members, as follows: the president of the University, two chirographic members of the faculty elected annually by the Euphradian and Chirographic societies in joint assembly, and three members of each society elected by their respective societies at the regular January elections.

ARTICLE 11. The president of the University shall be ex officio Chairman of the Debating Council. The Council shall elect a Secretary and a Treasurer from its student members.

ARTICLE 111. The Council shall arrange for, and have control over, all inter-collegiate debates of the University, and the preliminaries to such debates; all other inter-collegiate forensic contests (except as otherwise provided); and all inter-society forensic contests.

ARTICLE IV. The Council shall meet at the call of the Secretary. All transactions of the Council shall be reported to the societies at their next regular meetings, and published in The Gamecock in its next issue. The presiding officer for all inter-society contests will be selected from the society whose representative won the preceding year. The chief marshal will come from the other society. In establishing this custom the societies hope to avoid all confusion as to which society the presiding officer and chief marshal should be picked from.

A motion was passed creating a recording secretaryship for the joint assembly. H. G. Little of the Clirographic was elected to his office for the coming term.

Hodges Valedictorian

At the meeting of the Euphradian Society last Saturday night E. P. Hodges was elected valedictorian to succeed D. S. Poller who left Sunday for Fort Oglethorpe. Mr. Hodges is a very hard worker, and retiring president of the Euphradian Society.
