CAROLINA DEFEATS CAMP JACKSON

Gamecocks Win From Soldiers By Score of 5 to 2.

Carolina defeated Camp Jackson Saturday afternoon by the score of five to two. It was a very pretty game and the result was in doubt until the end.

Carolina jumped into the lead in the second inning, when Seaborn hit the first ball pitched to deep right for the circuit.

The soldiers scored their two runs in the fourth as a result of Wallace's wild dance to center in an effort to nip a runner off.

Gullick scored on the play and Thompson went to second. He went to third on an infield out and scored on Champion's single. The Collegians were holding the little end of a two to one score at the eighth. In this frame Wright struck out, but Lambright walked and went to second on a passed ball. Seaborn walked and Harvey was sent in for him.

Porter flew to right field and when Kurkonski errored it, Lambright scored and Harvey pulled up at third. Richards tripled to center, scoring Harvey and Porter, Seaborn singled over second, scoring Richards.

Smith relieved Champion at this point and prevented further scoring. Rube Skinner took the mound for Carolina in the fifth and but 16 men faced him in the five rounds. Connors secured the only hit off his delivery, but he was thrown out trying to steal.

Wright, Kern and Brumback figured in feature plays.

CAROLINA MEETS CITADEL ON MAT

Boxers and Wrestlers in Intercollegiate Match.

The University wrestling team enters its first intercollegiate tournament April 8th, meeting a team from the Citadel in the Carolina gymnasium.

This will be perhaps the first wrestling and boxing tournament ever staged in South Carolina between college teams, and is expected to arouse its full share of interest and perhaps mark the beginning of regular intercollegiate boxing and wrestling for the State.

Men of all weights will be matched in both the wrestling and boxing series.

The first athletic carnival at the University gymnasium recently revealed quite an array of good wrestling and boxing material, and the Gamecocks are expected to be in fine trim for the match. Leading performers of the wrestling team are: "Race Horse" Crawford and T. E. Crouch. Crawford has been off the mat for the last week on account of injuries received during his period of naval service, but it is expected to be back in condition for the Citadel meet.

The meeting will be called to discuss methods in training teachers in economic subjects, and an institute in such courses will probably be conducted at the University during the convention period, bringing to Columbia a galaxy of noted edu-
