CAMECOCKS BEAT FURMAN HORNETS
(Continued from page one)

penalty, when Carolina was offline, gave the Hornets the ball on Carolina's 4 yard line. Here the Gamecock line braced like a stone wall, stopping two attempts by Capps and one each by Clay and Dever, the ball going to the Birds on downs. Stinson, from behind his own goal line, sent the ball spiralling out of danger to the Gamecocks' 42 yard marker, a sigh of relief went up from the Carolina stands.

A moment later the Hurricane again blew toward Carolina's goal posts. Two consecutive passes, one for 29 yards and the other for 16, placed the ball on the Birds' 3 yard stripes. Capps gained 3 yards in three tries, and Dever added another yard, but the ball became Carolina's on downs for the second time, which was proved enough that the Gamecocks' line could not be crossed. Stinson's try toe again went the ball out of danger.

In the last few minutes of play, Carlisle Bedell intercepted a pass on his own 34 yard line. Wimberly and Bonner missed first down, by an inch, and Carolina pushed to Farming's 2 yard line. Here the two teams exchanged an interception of passes, the game ending with Farming in possession of the ball on his own 11 yard line.

It would be unfair to the teams to pick individual stars, as every one on the entire Gamecock squad played a role on the field that one that will be remembered for a long time. The lineup and summary:

Furman (9) Carolina (6)

Carr 9 3..."ER 7...Rogers

MANY ALUMNI SEE GAME SATURDAY
(Continued from page one)

pressed the hope that by the end of the year, there would be a 1,000 alumni in the association. Any student who attended the University of South Carolina for the period of one school year is eligible for membership in the organization.

Barney Early, secretary of the Association, explained that until a larger number of alumni had been organized, no really big program could be begun. He said that if the proposed association was perfected, that in a short time it would be possible that they could build a club house for alumni and students and that such an action would be welcomed as a club was badly needed. This is the second year that the association has had a permanent secretary and Mr. Early told of the progress that has been made so far.

Short talks were also made by: D. C. Caroll of Hartsville, James H. Solomon of Laurens, Christian Root of Columbia, and Allen C. Fuller of New York. Several other talks were made by members of the association.

A quartet composed of university alumni sang several songs.

OLEINICH TO SPEAK IN CHAPEL
(Continued from page one)

Christ. I finished the Bible school in Poland and came to the Columbia Bible school last year where I take advanced studies," he concluded.

Mr. Oleinich announced that his theme for Sunday morning will be "The Lost was Found," in which he will relate many of his personal experiences.

Mr. Oleinich has spoken in several places in and around Columbia and reports from these places say that he is a very good speaker, using the English language like he had been here many years. Some special music is planned for the meeting.

Shared with Watson, Williams for Smith, Carolina for Williams, R. Rohrer for Rogers.

There will be a gym dance for Carolina students Saturday night. Come early and bring your date.

New Club Organized
To Promote Sport

An original variety of club has been inaugurated on the campus during the past week due chiefly to the earnest endeavor of W. B. Jacobs. This is the Man/Man Club the purpose of which is to promote an interest in bicycling.

At the recent meeting an election of officers was held. Tom Morgan was chosen president, W. B. Jacobs vice-president, and John Betus, secretary and treasurer. After the business meeting an inspection of bicycles took place to determine the type preferred by the club.

Many OLY STARS SEE GAME SATURDAY
