**Birds In City's Baseball Opener**

**WAIL OF A COLLEGE BASEBALL PLAYER**

By "Ginger" Williamson

I'm a problem most giant, and it's driven me quite frantic.
It's one so daring and so gay.
It's the war song of my heart.
I'm a problem most giant, and it's driven me quite frantic.

**Wroeste Round-Up**

By ROGERS

Just to prove that an athlete can write as well as make good on the diamond we're running below a few products of an old-timer South Carolina pro-ball circles. Mr. Williamson caught for a Phon- ence club in days gone by—and did a good job of it, too.

One day in the early intimings of a particularly hot freshman ball caught him on the end of one of the fingers of his free hand. Snap! went the bone—and it looked as though one catcher would trot to the showers in a hurry. But it didn't happen, thanks to Williamson. Slitting his means on the other hand he finished the game. Ambidextrous? And How!
