Crane Heads Program Of Religious Exercises
Hughes To Lead Singing
Special Music Furnished By Col- lumbia College Choir For Religious Week
Plans have been definitely arranged for Dr. Henry Crane, who will come to Columbia during Religious Exercises Week, November 3-7, under the auspices of the University Y. M. C. A. W. C. A., and Catholic student organizations.
A special meeting is being held Monday, November 4, for the foot ball team of the University, Columbia High, Enright-Cany, and Hyatt Park, the invitation being ex- tended through Coach Dan M. Califfier.
During Dr. Crane’s college days he was manager of the football team at his institution, and made all-American guard in basketball. He now has the reputation of being a splendid speaker for college athletes.
Rev. W. A. Aber, formerly pastor of the First Baptist Church in At- lanta, Georgia, and now connected with the National Youth Administra- tions in Columbia, has been secured to lead the music for the Easter Youth and Religion Series. Rev. Harry has a tenor voice and is expected to excel in this type of music.
He has been leading the singing at Shandon Baptist Church during the past winter.
The song service for all meetings during the week will be held at the Shandon Baptist Church at seven o’clock each night. Henry Martin, associate editor of the Columbia Daily Collegian, who is a graduate of the music and college department, has been secured as accompanist for Dr. Crane.
The Columbia College choir will sing the ‘‘Dixie’’ and other special music will be rendered during the service by choirs from the various churches in Columbia.
All night services will be held at Drayton Hall on College street.
