Coeds Learn Way To Man's Heart Is Through Steaks

If the way to a man's heart is through his stomach, the coeds of the University of Miami learned that steaks and desserts are needed for a life of marriage and happiness.

Cleanliness may not be one of the prime virtues, but these girls have got it, or else they're getting it.

If they visit the hamburger department of a restaurant, it is amusing to see what it is that they are buying.

Dance Was At Hotel Columbia

Members of the South Carolina Alpha chapter of Pi Beta Phi recently danced at the "Stardust Ball" given for them in Columbia from April 1 to 3. Music was furnished by Roy Tool and his Carolina Caravan.

Officers of the chapter and their dates were: Bill Sten, at center, with Sue Lawer; Pat Donnell, with Pat Brown; Bill Bower, with Sue Caroll; Sue Carroll, with Deiter Schumaker, and Virginia Williams with George Smiley.

Be it known that the party was in the Sreek Room and that the affair was all in all a grand success.

Resistible... their love! Nescapable... their tears!
