Double Trouble

The Twin tails, Hayward and Howard, are two reasons why Coach Poteshky is smiling. Both turned in good games during the first two games of the season. Hayward, the star of the first go round, is setting a new university record of 47.7, while Howard, the star of the second game, is also setting a new record of 24.4.

Baseball's Future Brightens Up

For Carolina's Diamond and Diamond

The Carolina baseball team got off to a bad start when they dropped their first two games to Duke and Michigan State, respectively, but they came back in the second game against MSU, behind the splendid pitching of Otto Rawl, 9-1. Rawl allowed the northeners only two hits as he held them in check throughout the game. Rawl also contributed a great deal to the winning of his own game, with a timely home run that cleared the fence in left field.

The batting penchant of the Gamecocks, which has been greatly missed in the first few games, finally showed itself as they got nine hits against State.

Coach Poteshsky finally saw his power hitters getting on base. Hoffner, Diets and Sparta got their first base hits in this third game of the season.

The Twin tails, Hayward and Howard, turned in fine pitching performances and should be rated behind Rawl as the winning pitcher. In the last game, Sparta was awarded the trophy.

Pi Kappa Phi Finals Champions

By PAUL PHILLIPS

Pi Kappa Phi fraternity members were the victors in the last game of the intramural basketball finals. The Phi Kappas defeated a stubborn team in the Rinky Dinks, the undefeated champions of the independent league, by the score of 47 to 30. Forward Harry Howard led the winners with 13 points, while Ollie dropped in 21 points for the losers. The winning Phi Kappas became the campus champions.

The season was tough for both winners and the defeated. It took a well-rounded boat club to win and the victorious Phi Kappas showed that they had what it took. The champions had speed and height which they used to their advantage. It was these advantages, plus their earning ability, which enabled them to finish the season as campus champions.

In the playoff game for the fraternity league championship, Phi Kappas led Sigma Kappa by the score of 42 to 21. The Phi Kappas won the substitution in the game, while the Phi Kappas had an initiative of a well-known professional basketball team. Mason led the winners with 11 points, while Tom Carr got 14 points for the Phi Kappas.

In the independent league playoffs, the Rinky Dinks defeated Phi Kappas in the first round, 30 to 18, and defeated Sigma Kappas in the second round, 22 to 13.

USC Track Men Limbering Up For Full Season

By JERRY ROLLINS

The first time South Carolina had a track team was in 1938. That year, with a squad of only six men, the Carolina State Meet at Clinton and Tommy Woodall captured first place in the Southern Conference. Bill Boyle and Paul Steely were the only two returning men.

With their help, Coach Junior Bean is hopeful that this year’s big stacks, as green as they may now be, shall have attained more skill and experience by this time next season.

Last Saturday the U. S. C. Track Team competed in the Georgia Classic Meet. Steve Baker and Jim Matthews are expected to do very well at this meet. The Carolina team beat the Army team in many of the events to which they were challenged.

It’s still early in the season and most of the men are out in conditioning.

Regular next meet of the season is with Clemson, here to

at 3:00.

The rain-stopping cool breeze will be missed until the next heat, injured in spring football practice, is well again. For the first time this year he has cleared 11½ and is ready to do better.

Last week, "Big" Jim Gantley was invited to try his

on track. On his first try he bettered the shot put 3½ feet—had for a beginner.

Pi Kappa Wining in Sports Field

Pi Kappa Phi continued leading the race for the Campus Sports Trophy. With the completion of the basketball season, the Phi Kappa group has 360 points in line to run away from fraternity by over 210 points.

Sigma Phi is in second place with 257 points, with Sigma Phi Epsilon taking third place with 154 points.

The Phi Kappas have a total of 240 points, with Sigma Phi Epsilon taking third place with 154 points.

The fourth place spot is held by Sigma Phi, who has 55 points, 40 points behind third spot with 291 points.

Pi Kappa's total points include football, football and basketball, other sporting events and track meet.

Other events and track meet will also be added to the totals but a winer is finally determined.

Several fraternity are holding

in order to keep their points as high as possible. It is necessary to pick up points in the track meets of the intramural sporting events to hold their place in the race. The All Sports Trophy will be awarded to the winning fraternity during the spring semester of 1960.

One of the many events which are awarded each year by the Inter-Fraternity Council is the Fraternity Track Meet.

Coach Bean's diciplines are being pushed hard now, it's up to us to be encouraged and to do our best to be in all events.

The events and their participants are:

-Javelin—Bob Dowdy, Bob Steely and Bill Griffin.
-Shot Put and Discus—Will Miltan and Charlie Copp.
-High Jump—Jack Martin and Jim Smith.
-100-Yard Dash—Buck Rendleman, Dan Cassady and Jack Blake.
-Hurdles—Buster Brown, John "B" Reeves and McMillan.
-Relays—Bill McMillan and Jack Blake.
-Walk—Bill Reilly and Jack Blake.
-Cross Country—Bill Reilly.
-Criss Cross—Buck Rendleman.
-Baseball—Bob Dowdy, Bob Steely and Dick Griffin.
-Butterfly—Bill Reilly and Bill Griffin.
-Circle Run—Bob Dowdy, Bob Steely, and Bill Griffin.
-Josephine’s—Buck Rendleman.

Sports Quiz

Again this week we have only one answer correct. Congratulations to Jerry Spence, who repeated as winner this week for getting the correct answers.

The correct answers were: Pepper Martin, the Detroit Tigers of the American League, and Hamp Carter, who has the highest batting average in the National League.

This week we have three more questions on baseball. Answer them and receive two passes to the Steeplechase at 8:30.

(1) Who was known as "The Master of Baseball"?
(2) Who was known as "Old"?
(3) Who was known as the "Little Napoleon of the Field"?

Due at least two answers to these five questions by noon, your answers are in the "Campus" book.
