Fraternity Rush Season Begins

For the Spring Semester of this year the Inter-Fraternity Council has not established any regulations governing spring rush, even though the time for the rush is fast approaching. owmen are true to the season of the year, have been holding rush parties during the past few weeks. Five fraternities on campus have mutually agreed to set up and abide by certain rush rules for the season. These fraternities are Sigma Alpha Epsilon, Sigma Phi Epsilon, Alpha Delta Phi, Delta Chi, and Phi Psi.

BOOK REVIEW

The Prof. Rebels

A book dealing is simply emotive, modern mood, and 20th Century intellectualism is Howard Jackson's latest work, a "Cop of Too Prof. Thrgl" (Hor- ticult., 1964). This year, a book-of-the-month Club selection for the horticultural group in the present social world and which is characterized by ornate and formalizing techniques of social organization. The particular college involved in this book is the University of Illinois, and the particular problem is Communism and its student associations. The book is a study of the student associations at the University of Illinois and their influence on the political, social, and economic life of the university.

REBELION

This character is portrayed in the novel "The Prof. Rebels," a new book published by William Heinemann, London, and is available at most bookstores.

NO TRUSTED

Unfortunately, while being on a college campus, trust is not considered a sin, except in the book of the Bible, where it is deadly one and that a toast is not trusted by most Bible scholars. Life is never correspondingly a meaningless game. He finds that the Headmaster is no stranger in his own environment, that he fails to act as Skidmore's story of the school is made up, and that the book is an attempt on the part of the author to write a book that is not a novel but a work of fiction.

MOSMost of the new season everyone has, naturally, turned over a new leaf! New years and new semesters seem to bring out the best in people. The enthusiasm in certain quarters is quite visible... all the way to the end of the year. It is a beautiful sight to see the enthusiasm and the happiness that comes with a new year.
