A homecoming parade, complete with floats and campus landmarks displayed on Assembly October 26, Inter-Fraternity Council voted October 24 to sponsor a homecoming parade on the quadrangle, to E. Eugene Cooper, dean.

Pan-Hellicans voted to join the Inter-Fraternity Council in the parade. A committee has been formed with Lewis Johnson, president. Other members are Bob Malo, Keith Elliott, Peggy Frentell, and Dennis Grav. E-Ko officers are members of the Inter-Fraternity Council.

A group that will withdraws will be fined $50 by IFC, and the funds will be used to purchase the costumes. These resolutions were made up by the Inter-Fraternity council.

Each float will be built by three participating fraternities and will be designed in accordance with the rules. The floats will be judged on originality, color, design, and execution. The winner of this competition will be announced at the homecoming organization meeting.

The parade begins at 12 noon with the美女 on Main Street and will include the USC student body. From there it proceeds to the Baptist Church, where it will be driven until halftime of the game, and then driven to the stadium, around the field.

Groups participating in the parade will include members of the Alpha Kappa Alpha sorority, Omicron Pi Epsilon fraternity, and other organizations. Student government and homecoming organization will also participate.

Groups participating in the processional are: "Openers," band directors, "leaders of the group," "leaders of the group," and "leaders of the group." The homecoming organization meeting in the upper room of the Russell House Center will be held.

The浮子 will be divided into three categories: "Best," "Second," and "Third." The floats with the highest cumulative score will win, and the winners will be announced at the homecoming organization meeting.
