The power to hold hearings regarding the distribution of football tickets to students and staff members, to such hearings was requested by the Student Assembly Athletic Committee.

The bill, approved by the Senate, also allows the committee to investigate the issue of appropriate fundraising activities and the allocation of funds to the athletic programs. The bill will be presented to the House of Representatives.

The Senate unanimously approved a resolution to request the Student Assembly Athletic Committee to submit a report on the distribution of football tickets to students and staff members. The report should include the number of tickets distributed for the last two years, as well as other relevant information.

The bill also states that no allocation of funds should be made to the committee.

With the bill passed, the Student Assembly Athletic Committee will be able to proceed with its investigation and make recommendations to the university community.

Carolina '67 Is Nostalgia, Joy, Spirit
By BILL DIELER

Carolina Homecoming is a combination of many things—the nostalgia of almost returning to a rapidly-changing Carolina, the electric-like school spirit generated by an exciting football team, the happiness of a newly-reunited campus.

Carolina '67 is the theme for all activities planned this weekend, and dances and revelry of the past.

For student voices, the rally will be held at 7 p.m. with the homecoming activities at the shoe store.

The schedule of events includes:
- Rally at 7:30 p.m., with Welcome from the president, host, and members of the Student Assembly.
- Student Assembly's awards ceremony, and dedication of the Student Assembly Auditory.
- Food and largest banquet ever in a Carolina homecoming, with bands, balls, and a variety of events.
