A fire in the University vicinity caused $30,000 damage Thursday afternoon.

The house, at 1704 Green St., caught fire late Tuesday morning as a result of faulty wiring.

Fire Department officials said that five pumpers and a ladder truck were brought to the site at approximately 11 a.m. The fire was under control shortly after noon, but three additional hours were required to put out the fire.

$25,000 damage was done to the two-story frame structure and $5,000 damage to the possessions of the tenants.
