Admissions policy approved

From Page 1

Illness as probable excuses for not attending the SPAT program. In any case, hardship excuses must be considered and approved by the Law School Admission's Committee.

The committee will consider President Patterson's requests for persons to be excused from SPAT and admitted directly. Determination of good cause to be excused from attending SPAT will be made on the basis of consideration of hardship in attending the summer program and of the ability to perform in the first year program, Patterson said.

Patterson has also requested the admissions committee of the Law School undertake a study of possible additional revisions in admissions procedures. This would include recommending a year of graduate study to applicants with deficiencies in their undergraduate record and other possible alternatives.

The study will fall within the committee's normal responsibility to evaluate admissions procedures on a continuing basis and to make recommendations to the law faculty concerning admissions.

After graduation you'll want more than just a job. You'll want a career. Consider

A CAREER AS A

LAWYER'S ASSISTANT

Mercer University in Atlanta, in cooperation with The National Center for Legal Training, will conduct an intensive 12 week course taught by attorneys qualifying college graduates to assume many of the responsibilities traditionally handled by lawyers. Courses start June 9th and September 22nd, 1973.

Specialization is offered in the following fields:
- Litigation
- Real Estate and Mortgages
- Corporations
- Estates, Trusts and Wills

If you are a student of good academic standing and are interested in a career as a Lawyer's Assistant, write for a free brochure and application.

The Osborne era at Carolina is, has and will be a golden age for USC. Rut
Osborne, born in Anderson March 18, 1895, is a 1916 graduate of Carolina. He played football and basketball at USC and participated in the same two sports at Wofford College before transferring to the University.

The USC Administration Building, built during Osborne’s tenure as a trustee, was named the Rutledge L. Osborne Administration Building in his honor by the Board in 1972.

In 1974 the USC Alumni Association honored Osborne with the group’s Distinguished Alumnus Award.
