CAROLINA-WHEATON BASEBALL GAME WON'T BE RESCHEDULED

From Staff and Wire Reports

Yesterday's baseball game between USC and Wheaton was canceled and will not be rescheduled.

Originally set for Monday, the game was postponed because of inclement weather.

The Gamecocks, 5-2, play host to the University of North Carolina-Charlotte today.

Game time is 3 p.m., weather permitting.

MICHAE.F PORDER, a 6-2 point guard from Pasco High School in Greensboro, N.C., has announced he will play basketball in-aid with USC to play baseball.

Porder, a 6-2 point guard from Pasco High School in Greensboro, N.C., was averaging 10.8 points and more than five assists per game for his top-ranked state team. Porder is ranked fourth in the nation, and is a leading candidate in the class of 1986 to play basketball.

The USC Rugby Club plays host to Sarasota at 1 p.m. today on fields B and C near the Tallahassee Physical Education Center.

The Gamecocks enter the game with a 7-1 record. They beat Columbia's Ole Grey Sunday.

ENTRIES ARE open for intramural handball, with entries for mixed doubles tennis opening Tuesday.

Entries for men's tennis, put-put and the track meet open March 22.

A WALLBYALL coaches' meeting will be held at 5 p.m. today in room 110 of the H.E. Physical Education Center.

WINNING is common for the University of North Carolina's Dean of Student Affairs, John W. Hargis, but he said it isn't the only sign of a good team.

"A few years ago, I tried to talk the National Association of Basketball Coaches into naming as National Coach of the Year someone who had a losing record but had done a great job considering his circumstances," Smith said.

"They didn't go along with that. But I do think winning is not necessarily a criterion for a coach who has a losing record," Smith said.

Smith has led the Tar Heels to 13 straight victory seasons, a National Collegiate Athletic Association coaching record. His 25-year record is 493-131 with seven final-four appearances, including last year's national championship.

The received five first-place votes from the eight-member panel of sports writers and sportscasters from the states represented by ACC schools. Georgia Tech's Bobby Cremins received two votes, and Maryland's Lefty Driesell had one.

NCAA PLAYOFF sites for the first- and second-round basketball games are as follows:

March 17 and 18: Houston (Midwest); Tampa, Fla. (Midwest); and Greensboro, N.C. (East). Wednesday, March 26.

Johns, who led the Gators to a Super Bowl victory two seasons ago, should be fully recovered from the operation in six to eight weeks, the spokesman for the San Francisco-based hospital said.

THE DILCINGTON International Dragway will be the site of the Winter Nationals March 18-20.

North Carolina driver Rick Smith will defend his 1982 International Hot Rod Association world championship.

Twenty-six entries have been received for the Pro Stock field, which will consist of 16 qualifiers.

HOUSTON'S COUGARS remain No. 1 in The Associated Press college basketball poll, receiving 40 first-place votes. Atlantic Coast Conference powerhouse Virginia is second with 39 points, followed by Louisville, UCLA and the Cavaliers' ACC foe North Carolina.

Houston's Southeastern Conference rival Arkansas is ninth. Indiana, 18th, his Nevada-Las Vegas and Kentucky round out the top 10.

MIKE SCHMIDT, third baseman for the Philadelphia Phillies, underwent minor knee surgery Monday and should be able to resume spring training in 10 to 14 days, the Phillies announced.

The surgery, a two-hour procedure in which three incisions were made of about 4 inches each, was done in Philadelphia by Philip Maron, the team physician.

Maron telephoned the results of his work on the power hitter, one of the game's top players, to the Philadelphia Phillies' training staff in Clearwater, Fla. Maron assured club officials there was nothing to worry about.

JOE MONTANA, San Francisco 49ers quarterback, underwent successful knee surgery Monday at St. Francis Hospital, a team spokesman said.

Montana, who led the 49ers to a Super Bowl victory two seasons ago, should be fully recovered from the operation in six to eight weeks, the spokesman for the San Francisco-based hospital said.
