**REFRESHMENTS! BE THERE!**

**Announcing an offer designed to save money for people who are, well, a bit long-winded when it comes to, you know, talking on the phone, and who, quite understandably, don’t want to have to wait till after 11 p.m. to get a deal on long distance prices.**

**If you spend a lot of time on the phone, the AT&T Reach Out America Landline could save you a lot on your long distance bill. And you don’t have to step in line at 11 p.m. Starting at 5 p.m., the AT&T Reach Out America Landline takes an additional 26% off our already reduced evening prices. To find out more, call us at 1 800 REACH OUT, ext. 4499. And don’t worry, we’ll keep it brief.**
